Homescapes Italia Homescapes Italia S.p.A. is a developing and producing company, with headquarters in Trieste, in Italy. Homescapes Italia is a young company born from the idea of Founder Emanuela Piccione of associating in synergy, the family tradition of the Canning of the "Poli Miniatures" and the meticulous art of the miniatures made by "Homescapes". The company is specialized in the production of miniatures for both interior and exterior which can be used in homes or offices, both original and commercial projects. The types of works undertaken range from the execution of sculptures both indoor and outdoor, or even the decoration of walls, ceilings or tiled surfaces with relief. It also offers the installation of mobiles, stool and wall paintings. He is also a distributor of different brands of paints, wallpapers and tiles. It has developed its own line of paints, wallpapers and ceramic and porcelain tiles. Sylvia Creel is at her daughter's home, where she and her daughter are staying while her house is being repaired. The 68-year-old is so upset, she says her house has been attacked. "This is not your normal hate crime," Creel said. Creel says she used to own a home that was shot in the same alley near Danziger and Westheimer. She said she helped her neighbors out during Hurricane Harvey. 3e33713323
