"In the end, the truth came out," the father, who asked not to be identified, says. On a hot afternoon in southern Sweden, a glass of water is helping the man's wife recover from the long, tense ordeal of living under constant police scrutiny. After a string of violent clashes with the Polish government in recent years, the far-right nationalist movement Solidarity backed by Poland's right-wing and far-right groups has made huge strides in the country's politics. "Poland is mostly a police state," Solidarity spokeswoman Magdalena Ma gorzata Huggins says. She added that the police have become "really aggressive in the last years," with large-scale riots outside the Warsaw parliament - the first to be held in decades - and an attack on the prime minister's villa last August. "We had to leave Poland three times in the last three years," Huggins said. Police raid But eight men and women who fled Poland a decade ago, and went to Sweden some time ago, still reside here, enjoying the Swedish people's generosity and the lack of legal restrictions to the demands of their intelligence service. The most prominent of them is a former heart surgeon who ran a children's clinic in the Warsaw ghetto during World War II and was a member of the original secret resistance movement, the T-4 euthanasia programme. Last year, he set up f30f4ceada
