AnyMP4 DVD Creator Crack+ Free Download

AnyMP4 DVD Creator is a movie DVD creator program which could create DVD movie at once. With this DVD creator software, you could rip all kinds of DVD movies, including the first-class Hollywood DVD, DVD-9, DVD-5, DVD-4 and DVD-RW. Apart from, you could also convert the DVD video to any popular formats, such as the popular MP4, WMV, MOV, AVI, and MPEG-4 AVC, so that you could enjoy them on your portable devices such as the iPod, PSP, Zune, and cell phone. Key Features: 1. 1:1 DVD ripper: You can rip DVD movies to various popular formats such as MP4, MOV, AVI, MPEG-4 AVC, WMV, etc. With this DVD ripper, you could create DVD movies from your video collection within a short time. It allows you to adjust the output video size and video bit rate. * You can change the size of the output video by set the desired ratio from 1:1, 2:1, 3:1, 4:3, 16:9, 5:4, 16:10, 9:16, etc. * You can change the video bitrate to fit your needs, so that you could improve the output video quality. 2. DVD burner: You could burn disc DVD movies with the DVD burner feature. It offers you the possibility of setting the number of copies, the number of cells, the disc label, the output file quality and more. * You could set the number of copies from 1 to 50. * You could select single cell or any number of cells. * You could customize the DVD label, output file quality, and the size of the output file. * You could set the output file's writing speed according to your needs. 3. AVI video converter: For the AVI video converter function, it supports converting all the popular video formats, including AVI, MPG, MPEG, MOV, VOB, WMV, and more to MP4, MOV, and AVI formats. 4. Timer function: With this DVD creator software, you can schedule the output file generation, according to your needs. 5. Design layout: A wide range of layout styles are included with this DVD creator software. You can easily change the background, add the watermark and subtitle. * You could add the watermark to your output

AnyMP4 DVD Creator Crack + Free License Key For PC

With AnyMP4 DVD Creator Cracked Version you can burn video DVDs in a simple and efficient manner. This DVD ripper can also generate ISO files, offering support for numerous video file formats, such as WMV, AVI, MKV, MP4, MOV, and more. Control the writing speed AnyMP4 DVD Creator has an intuitive interface that enables you to easily access all of its features. Primarily, you can add as many videos as you want to the burning list. On the bottom of the screen you can view the estimated size of newly added videos. This helps you find out whether more files can be added on the same DVD or not. Also, you can set the DVD label, the writing speed and the number of copies to be created. Unfortunately, during our tests, we had some issues when accessing a file's properties, but this might be an isolated problem. Output editing features AnyMP4 DVD Creator allows you to select any movie from the list and enjoy a preview of the video or take snapshots. After the aforementioned steps, you can move on to editing the output file. First, you can adjust the brightness, saturation, hue, or contrast. Next, you can trim the movie by selecting a starting time and an ending one. AnyMP4 DVD Creator also allows you to modify the aspect ratio of the output file or to add a watermark to it. Furthermore, you can insert subtitles or change the background music. Typical DVD ripper To sum up, AnyMP4 DVD Creator is a good solution if you need a standard DVD ripper. To truly stand out, it could use additional features that other applications in its category do have, such as defining the frame rate, adjusting the video bitrate or splitting the selected video into multiple parts. This latter option comes in handy in case you want to burn a larger file that needs two or more DVDs. Pros: 1. Having a simple interface 2. Very intuitive settings 3. Good video output 4. Adjustable bitrate 5. Create ISO files Cons: 1. It takes long to load 2. Not fast for long movies This DVD ripper can also generate ISO files, offering support for numerous video file formats, such as WMV, AVI, MKV, MP4, MOV, and more. Control the writing speed AnyMP4 DVD Creator has an intuitive interface that enables you to easily access all of its features. Primarily, 09e8f5149f

AnyMP4 DVD Creator Crack + Free
