Bob the sleepwalker has lost his way to his bed. Step in Subob and save him. "Back to Bed" is an artistic 3D puzzle game with a surreal twist. Bob the sleepwalker is an unlucky narcoleptic who has a tendency of falling asleep in his boring office and then proceeding to sleepwalk into the dangers of the big city. Luckily, Bob has a subconscious guardian named Subob, who protects the sleepwalker and guides him back to the safety of his bed. The ever-vigilant Subob must lead Bob on a journey through a series of surreal painting-like cityscapes, where the boundary between Bob's dreams and reality have vanished. Unique surreal and artistic game Play in a piece of art set in a digital frame, that mixes elements from the real world and the world of dreams to create something unique and surreal.

Mind-bending Isometric Levels Navigate detailed 3D puzzles that defy the laws of physics, wherein the player must manipulate the strange environment to create a safe path for Bob and avoid the dangers of the puzzle. Two Characters As One Play as the embodied subconsciousness, in the form of a small guardian creature, trying to save its own sleepwalking body from dangers of the dream world. How to play Powered by Unity, a popular game engine. How to read it All instructions are in-game. Left-click to interact with anything in the game. Back To Bed Features Key:

Back to Bed is a board game that takes up 1 to 2 players...

- Players take turns trying to pass a health bar of bar of damage...

- Ending Game is triggered when the health bar is 0...

- Each player owns their own health bar.

- Health bars can be healed by defeating enemies.

Back to Bed Board Game Rules:

GETTING IN THE GAME

Setup

1. Setup the play board as needed.
2. Get the players to compare weapons.
3. Put rings around the board edges (see video below!). This will be your Home and enemy Home positions.

Gameplay

1. Each player has a health bar for their life. A health bar of 0 is game over.
2. Each play has their own health bar. This is an addition to the playboard and will be incremented by defeating enemies and healed by healing rings.

Health & Healing Rings

1. There are two ways your health bar will heal itself.
2. The ring healing is done by clicking on the ring and the health bar will recover. The amount of health recovered will be proportional to how much health is in the ring.
3. The incoming damage from enemies will do small random amount of damage to the health bar.

Videos

Video 1: game setup

To get the game to work both players have to each have the same rings set up.

ie- One player is starting on the bottom-right corner and the other on the bottom-left corner.

The game levels out at around 5 minutes.
