A great game if you enjoy pvp, this is one of the few titles that a kid could play in school without it being questioned as to why they are playing a FPS on a phone. I guess kids who are playing WoW these days would have to learn that theres no reason to play WoW on a phone, but a game that is actually fun is so much better! What is this game all about? this game was amazing. I downloaded this game when it first came out but after updating it, I was a bit bummed. I wonder if this game will be ever completely fixed or if the issues are gonna be stick around. This game is absolutely awesome! It is so much fun and so are the gameplay mechanics.

## **Features Key:**

Character Management System  
Customized Appearance and Board  
Customized Features  
Companion System  
Environmental Toy  
Murder Mystery  
Multiplayer online adventure and role playing

## **Campaign Missions**

- CONTENT-FREE ADVENTURE MISSIONS
- Heading east brings you to the countryside where a number of adventures await you in stages such as villages, towns, fishing villages, and towers. Come face-to-face with a variety of characters!
- ACTUALLY EXPERIENCE THE WORLD
- Experience the Lands Between from every angle; you can see the world as it is from over the sea, as it is flying from in the sky, or as you enter the forbidden lands of the east!
- THREE SCENARIOS
- Are the scenarios of a single player campaign, or they are a great number of scenarios that are connected. You can replay and play through them repeatedly as you wish.
- LOCAL VERSUS GLOBAL ADVENTURES
- Compete with other players by taking on missions and battles for rewards in the metropolitan areas.
- MANAGE COMBATERS
- You can recruit and level up your companions and set them as your allies or antagonists. It is your decision whether you want to send your companion to lead a battle on your behalf or whether to go on your own and attack.
- NEXT: A NEXT-GENERATION RPG. Corrupting, deceiving, manipulating, that's all they usually are. If not the embodiment of evil, they are at least the head people of those who do have evil in them. Elden dungeons have been terrorizing folk for many generations, but now there's a bunch of these corrupted guys using them as their latest hunting ground, and you've been asked to join the fight. You see, the only way to get into a dungeon is to pay off the boss. Well, there's no way of knowing who the boss is, so you've got

seen in a video game atleast is the fact that your character goes through a transition as a baby and then a child. The music in the game is very fitting and suits the entire game. I can't say I am the biggest fan of the music but in terms of fitting it goes as far as I would expect it to. If you have played the Elder Scrolls series you are familiar with the style of the questing system and the graphics. The difficulty for newcomers will range from very easy to mostly easy. The crafting system is one of the more rewarding things you can do in this game. You can find in game items such as weapons to upgrade to new types of weapons and armor. As for the visual aspect of the game I have to say I am not the biggest fan. The graphics are very smooth and easy to follow. The voice acting and music fit perfectly with the game as well. The voice acting is some of
