*Tropes are adaptations, exaggerations, and other forms of humor In the Far West, the Great King Valorian and the Great Lord Garadon engaged in battle. It was the opening act of the King's sworn trial by combat. The celebrated gladiators and champions of the imperial court unleashed their strength and skill against each other in single-combat duels. And as the Great King and the Great Lord dueled, a herald announced the end of the trial. A parting of the road for the Great King and the Great Lord upon the battlefield. And so the End of Trial By Combat began. The warfare between the royal court and the Great Castle is no different. "It's been a long time since the trial by combat has ended." The Imperial Commander announces the decision of the Great King and the Great Lord, two sorcerers of the Great Castle who should be fighting it out to decide which is the supreme ruler. The stage is set for a trial by combat where nobody can predict the outcome. I'm really excited about this, it's going to be huge! ;w; Hello there, I'm the Producer Dezmond. ☆ INTRODUCING ROSE ROSE ROSE TICKET LINE ☆ Release date - October 7th, 2016 Roll out date - June 25th, 2017 (Last Quarter) What's Rose Rose Rose? Rose Rose Rose is a ticket-type free-to-play mobile game developed by M2. This game will be free from opening its gate to players from the world over. It is an action

RPG where players can actively enjoy tactical battles and extensive skills. We've decided that we'd like to implement the "free for all" system, where players can freely search for their own Rose Rose's path and go on their merry way. In this game, players assume the role of a hero and participate in the game's battle by using their various skills. The main keyword of the game is that in the battle, Rose's desire to protect the weak is a priority. Introducing a theme called "Rarotonga" which possesses the strength of the land of Rarotonga. (see below for a description) ■

The appearance of an RPG that is highly praised by its fans "What is it? The existence of RPG fans that are unfamiliar with the popularity of the genre is a rare sight. But, this game has somehow played a major role in attracting the attention of both the fans and people who do not know RPG's at all." - IGN (7/5) "The appearance of an RPG that is highly praised by its fans is an excellent scenario." -Pocket Gamer (7/5) "With its vast and beautiful world, elaborate graphics, and rich gameplay mechanics, we were instantly impressed. " - GameSkinny (4/5) "Whether you think you can do it or not, you will definitely get swept away in the world of the Elden Ring." - Regeek (8/5) "If you have a passion for RPGs and visual novels, then you should try out this action RPG." - AppSmile (9/5) The first storyline that can change your perspective on allure "Elden Ring is a game that you can only play when you are running out of options to play. And that's just right, in many cases, you will find yourself waiting for your train to leave the station after

purchasing this game. No matter who you are, if you were to go into the story, you will be able to change your perspective on the genre of RPG and affect your satisfaction. " - GameDynamite (7/5) "This is a story that you will be unable to overlook. " - MacOSHOP (9/5) "The reason why I like Elden Ring the best out of all the other recent RPG releases is because of the fact that it is not just some average RPG." - Lazy Gamer (9/5) "What really makes Elden Ring stand out is its tale. " - The Connecting Dot (9/5) "The first thing that you will notice about this game is that it feels unique in many ways. I think that this is a game that can be played by anyone and everyone because it has a lot of very detailed and interesting parts to it. " - YouTube.com "The excellent localization and the great story that you can enjoy while taking a break from all the fighting that you had to do to win the monsters. " - GameTracker (9/5 bff6bb2d33

The new world where sunlight plays the main role is a partially flat world. This world structure makes a variety of high-velocity projectiles and a multiplicity of role-play actions possible. You can enjoy all the intensity of arcade battles deep in the Land of the Dusk.

The world that challenges all the rules of RPGs, infinite dungeons and raids that respawn regularly after every death. A world where even large-scale battles can be fought in real time. A world ruled by different elemental forces of rule over violence and the conquest of life itself, where the tranquility of your chosen race depends on your heroic actions.

A world where tumultuous tension is always threatening to spontaneously combust, but in which cutting-edge technology that has yet to be discovered is expanding its influence to the extreme. In this world, a teeming swarm of the called 'alien' is advancing towards human society, while military leaders are waiting for the call to battle without consideration of the cost of war.

Q: Using the homotopy operator to define a deformation retraction

Consider the space of all continuous maps $f : I \rightarrow \mathbb{R}^2$ and the map i sending such a function to its critical values: $i(f) = \{f(c) : c \in I\}$. One way to remove the critical points of a map is by composing the map with a homotopy and forgetting the new critical values. I have a problem understanding one of the way this process works, though. So I know that if ϕ is a homotopy from f to g , then $h = f \circ \phi$ is a homotopy from f to $g \circ \phi$. Now consider the function $i \circ h = i(f \circ \phi)$, which maps $h(0) = f \circ \phi$ to $i(h(0)) = i(f \circ \phi) = \{f(\phi(0)) : \phi(0) \in I\}$. This function $i \circ h$ is therefore a homotopy from $i \circ h(0) = i \circ f \circ \phi$ to $i \circ h(1) = i \circ (g \circ \phi) = i(g \circ \phi) = \{g(\phi(0)) : \phi(0) \in I\}$.
