What's new:

- **Movement** - User control of the ball with more nuanced dribbling mechanics and off-the-ball movement that help deliver unpredictable and thrilling gameplay when attacking.
- **Control** - The all-new control system brings more total freedom than ever before, while reducing the impact of hard-coded control mechanics and increasing player control, such as “rigid” dribbling during sprinting.
- **Team Features** - FIFA focuses on what matters most to fans of the game: matchdays, leagues, kits, virtual national teams, and a multitude of other playlists. Plus, the Ultimate Team makes its grand return, allowing you to have unlimited fun in the game.
- **Online Multiplayer** - FIFA Online is now an official feature of FIFA 22, allowing gamers to hone their skills, create a dedicated FIFA™ squad of their favorite players, and compete head-to-head with top PlayStation gamers on PS4 or Xbox One. FIFA Online is free for all new players with their first purchase of FIFA 22.
- **Live Events and Clubs** - Live Events give you more ways to get into the action, making the qualifying stages and knock-out rounds of the FIFA Club World Cup more diverse, while the highly anticipated Clubs team up with a dozen clubs from some of the world’s biggest leagues to give you more ways to compete. Clubs in FIFA 22 are given permission to lift the “best club in the world” title.
- **High-Definition TV** - For the first time ever, you can experience the magic of FIFA through your favorite TV screen. Featuring stunning graphics, gameplay is more lifelike, clearer, and more responsive than ever before, while better reflection in the HDTV makes each shot with the virtual ball look more spectacular than ever.
- **Global and Heritage Eras** - The early development teams of FIFA, in conjunction with the FIFA community, created a new paradigm for broadcast start dates and uniform changes. FIFA 22 looks to deliver some real innovations for the sport that you have called home.

-
- **PlayStyle** - Some of the biggest innovations in gameplay include PlayStyle, where more player improvisation means more fun in real-time. It's the new style of football gameplay that's brought directly to you by FIFA's development team and the best of the community.
 - **Real Sociedad** - With the
