The fresh pack of vector symbols has 100 icons with which you can start using right away for your web projects, as well as create great presentations in PowerPoint and other graphics software. The vector pack comes in PSD source files with layers, all you need to do is just to drag the elements you need and drop them on your Photoshop or any other vector-oriented design software. The pack was made for modern designers and web agency with all the necessary tools to become the best in their job. There are also 110 icon fonts as well as a smart and convenient set of web icons (16x16, 32x32 and 48x48), which makes it suitable for any type of project, be it a web-based interface, a presentation, a poster, a business card or other items. Lastly, the designers have included a brief description of each symbol, which will make your work more convenient and saves you from going around them. Vector Pack of Logo Icons is part of the Creative Materials Collection. If you want more, just check out the Main Collection. Enjoy your exploration with the pack! Thank you for the support! This is a free hand-crafted photorealistic, high quality icon design. It contains 16 photorealistic icons, 4 for each category. The set comes in a well defined set of transparent PNG files for easy and fast integration into your design. If you use an image editor, you can easily convert the icons to ICOs. Graphic software users will have no trouble. In PngOpen you just drag the png files and drop them to your designs. The icons are ready to use with no extra

configuration. The

Fun Menu Icons

· Great collection of more than 230 creative icons · 20+ colons, notes and each · Flexible design with different icons for multiple purposes: Graphic design, web design, etc. · Under each icon there is a short description. · Each image has a transparent background which allows a perfect integration with your application · The icons are in two formats: PNG and ICO · You can use the transparent background for your own design

Fun Menu Icons Crack Activator

260 icons for menus and other menu based and not. Includes: 24 Bikinis 23 animals animals 10 birds animals 19 brands logos cars brands logos 16 food products brands logos 12 flowers flowers 16 fruits fruits 10 flower baskets fruits 10 humor humor 13 funny cartoon 13 funny cartoon graphics 13 hot hot 22 hot mugs hot mugs 22 men men 17 mugs mug men 17 music music 20 nature nature 30 sports sport 20 sweater sweaters 20 vegetables vegetables 21 vehicles vehicles 20 women women 10 wigs women 10 woods woods 19 weather weather 20 wheat wheat 20 weather weather 21 wine wine 22 workwork 20 Fun Menu Icons is a compilation of 232 original smileys and pictographs that can be used in order to personalize menus, applications and websites from a variety of topics. Among the most present themes that are included within this particular pack, the most prominent ones are products, clothing, and funny cartoons. Needless to say that the featured clothing images are drawn in 3D isometric projection in order for them to look more vivid than usual two dimensional icons. A great plus for this particular icon pack is by far its versatility, having that you can equally find from arrows and button enhancements for basic applications to nature pictograms, hilarious smiley faces that depict a multitude of states and facial expressions, animals, plants, caution signs and automotive creative graphics. The featured icons come in PNG and ICO format and are classified by size like any other icon compilation. The aspect that meets the user's needs the most should be, by far, the fact that they are predefined in three individual states: normal, hot and disabled. Furthermore, the icons that come in True-color versions and can easily blend with any used background with the aid of the extra Alpha layer that was used while drawing them. Also, the icon versions in 256 colors have a transparent background. But what makes this icon collection more innovative than all the others is the fact that it meets the needs of a significantly greater part of the public if the adaptable nature of these playful images is taken into consideration. Fun Menu Icons Description: 260 icons for menus and other menu based and not.
