**THE NEW FANTASY ACTION RPG** A web browser game that takes place in The Lands Between and tells a world that has been divided into 13 Kingdoms by the "Gods". In the game, players take on the role of a Dark Lord that wields a sacred sword and guides the fate of his people. Follow the destiny of a player-controlled character known as an "Elden Lord", and fight monsters together with his/her friends in a world that has been divided into 13 Kingdoms by the Gods.

**Key Features:**

- 1. Asynchronous play - With a feature that allows everyone to play while connecting to the server at the same time, you can enjoy the game even with no friends.
- 2. Create your own character - With freedom to freely change your body and hairstyle, customize your favorite character in order to create your own story!
- 3. Fantasy Drama that tells a Myth - Free from the burden of complex settings and trite stories, the game connects your head and heart, as
