Prepare to fight in a fully recreated Battle of the South Pacific inspired by the theatre of WWII. In the wake of Japan's devastating attack on Pearl Harbor, allied forces and aircraft under the newly formed Allied Operations were pushed back and initially defeated by the Japanese Armed Forces. The United States quickly returned to their fight for freedom, but that's not to say that their fight with Japan in 1942 was any easy. Sit down to die, ya American swine.

Mod features: - 30+ missions (random, unlocked, single-player, 946PP, 3.5GB) - 12 Japanese aircraft - 12 U.S. aircraft - 3 Japanese naval guns - 3 U.S. naval guns - 7 Pacific islands (all from 1942) - 3 different maps (2 multiplayer maps, 1 single-player map) - 3 different vehicles (1 normal, 1 heavy, 1 light) - 3 different variants for each vehicle - 11 special planes - 5 special guns - Customize look - Customize the camera angle - Keep the last camera angle

You are a Japanese scout plane pilot and you are conducting reconnaissance for the Japanese Navy. You must use your cunning and crafty skills to not only avoid being shot down by US planes, but also by the powerful Japanese warships. You will see how the battle in the South Pacific turned and on the way you will see the American side. Fight the Battle of Midway and the Battle of Guadalcanal. For the first time in War Thunder, you can fly premium Japanese aircraft from the Imperial Japanese Army Air Force and Air Fleet 5 in its original version. After a successful flight in the Battle of Midway, you will receive awards, new skills and equipment. In cooperation with our partners - we offer you special vehicles, equipment, paint jobs and special missions. About Gaijin Entertainment Gaijin Entertainment, the developer of the War Thunder arcade game series, strives to create an authentic experience in military flight. War Thunder brings the thrill and

danger of military aviation back into the gaming world. They have also been working on the development of the TrueAchievements War Thunder game module. Gaijin Entertainment is the publisher of the full game War Thunder. It also functions as the developer of the War Thunder MMO. The company is located in the heart of the world's largest Flight Simulator producer, The Virtual Reality Laboratory (VRLab) in the USA
