REFICUL 666 is an original indie horror game with a very different and unsettling apocalypse. In the near future, the world has been destroyed by an unknown enemy. Unknowing people are beginning to move back into the devastated town and will you join them? Explore the town to find clues and gain experience. Unlock story objectives to help find your friends and improve your choices. Difficult and challenging decisions will have lasting effects on the world and how you move forward. Will you survive the fight for survival? Features: Open World - Explore a town in the darkness Climbable trees for safety and security Limited Access to Power - Without power you are vulnerable to danger Powerful Items - Unlock powerful magical items to help you survive Randomized NPCs and Encounters - Plenty of unexpected night time encounters Immersive Environment - The town has a haunting atmosphere that will leave you unsettled. Locked Doors - Keep some enemies out and create a safe area. Procedural Lighting - Surround yourself with the dark world. Looking For your Friends - Find your friends using the GPS system in the phone. Multiple Ways to Complete the game - Most things are tied to stories and can be completed in many ways. There are a few known ways to complete the game but we will be adding other paths that are not yet known. We are targeting iOS and Android, Mac and PC platforms We are interested in working with partners to develop cross-platform titles The game features a custom engine and graphics. We will be open-sourcing the code and assets, so feel free to ask more about our process. Future Plans Create an immersive world with live streaming Create an icon pack with icons and added textures Add bright areas of color and softer areas of color Create an audio pack to include sounds Support for location-based games and storytelling Add a Reddit or forum page for more exposure and interaction About the Developer We are an indie game developer team located in Vancouver, Canada. Our team has produced 5 mobile games in the last 7 years and have now decided to focus on creating games for PC and console platforms. Our team consists of 4 game designers, with two game design backgrounds, a project manager, and an audio designer. We have partnered with a company in China who is creating the assets for the game. We have done all of the design, art, and programming so that they do not have to do any of those things for the next step of development.

Winter Voices Episode 5: Overflow [Win/Mac]

Armored Warfare is a free-to-play, team-based, dynamic aerial-ground vehicle combat game currently in Beta. The game takes place on a post-apocalyptic world, where air and ground vehicles wage an endless battle for control of territory. Players can claim ownership of land, perform group and individual battles, watch their vehicles get upgraded and customized in real-time during the battle, and change their appearance by using textiles. The games are played in a massive free-to-play third-person perspective (FPS). The world is vast and full of danger, and players will have to make quick decisions in order to survive. The conflict takes place over ten massive continents, where players can travel across cities, deserts, snow-capped mountains, and lush tropical rainforests. The game is free to play but players can purchase extra content or boost their gameplay experience by purchasing a premium package. Alternatively, players can use a premium package for a limited time for free to enhance their gameplay experience.

Key Features: **FAST** The Griffin 120mm LT is a unique Tier 8 Light Tank, with unique 120mm Light-Tank-Gun vehicle gameplay. The special ammunition types attached to the Griffin 120mm LT give this vehicle even more firepower. The Griffin 120mm LT is able to destroy most vehicles on the battlefield at any distance. **GROUP/INDIVIDUAL BATTLE** Armored Warfare features a massive dynamic battle environment, where players join a group, and a battle is broadcast to all the group members. The members of a group, having different stats, skills, and equipment, start the battle from different vehicles. The members of a group are grouped in a particular order, where the roles in the battle play out. **HIGH SCENERY** Beautiful, diverse environments that cannot be encountered in any other game of the genre. Stunning high-end 3D graphics. **EASY PLAY** Simple operation and use of the controls. **Concept Art and Creation Videos:** ● Artists: Naoya Murakami Elias Dörner ● Creator: Adam Januszkiewicz ● Gameplay Engineer: Alexander Beydo ● Graphical Engineer: Alexander Karpov ● Technical Advisor: Andreas Anscheidt ● QA / Release Manager: Sergio Plíkan ● Character Artist: Dennis Czyklowski ● Engine Art Lead: Alexander Karpov ● Engine Lead c9d1549cdd

published:09 Oct 2016 views:572403 It's time to rise up against the Particulate in a new galactic strategy game and destroy your enemy in a battle unlike any other. Your strategic skills will need to be at the top of their game if you want to look like a true fleet admiral!

----- • Begin your mission to be the greatest fleet admiral in the galaxy by building and designing your own fleets and stand opposed to the Particulate in this physics/strategy/RTS/fleet hybrid. Build partially destructible and self repairing ships that interact with enemies less controlled by some scripted logic and more driven by a real time massive physics particle simulation. As Chief Executive Ticon you should have been the Galactic Executive Officer.. but you aren't. Instead, you and small corporation of dedicated employees have ventured into Redacted Space risking your fortunes and your lives. What you find will challenge your tactical and strategic skills as you adapt to a threat that surrounds and engulfs. Engage the Particulate, Emergent, Doppels, and much more in this unique strategy game. Game "Particle Fleet: Emergence" Gameplay: (Part 1 of 2) In today's star fleet game we are looking at the titular fleet moving through the star system and encountering different hostile threats. We also learn about a Federation policy that may change the face of the universe allowing the fleet to reach its target more easily. Build, manage and fight larger and more powerful fleets in this epic space battle! We are proud to announce the release of Starship Fives v2.0!
