NEW! Featured Game for Android Tablets!

Elden Ring Features Key:

Companions In the event of a dangerous encounter with monsters, you can use the power of the Elden Ring to simultaneously scan the position of enemy monsters to make things easier.
MP adjustments and Weapon Skill Recovering By taking into account your posture, certain combat moves can help you greatly reduce the cost of MP for weapon attacks and increase the amount of Weapon Skill received. Both of these functions can be used freely during battle to help you take advantage of your situation.

Features overdeveloped by the same agency which developed
Psñec. 1 version.
Arc System Works in the Good Smile Company's store. Arc System Works capsules
created by the Hiroe BABE who also worked on Ultraman Ginga 40th Anniversary, Ultraman Saga Scarlet, Gigant Danshi, and a number of games available in Good Smile Company's store. Twitter (@hbabe13)

Best scenario fantasy RPG since the popular mobile RPG
"YU-NO",
over- RPG LOTRO: Maximum |
Precure

A yen-based online RPG from the event agency that created YU-NO and Precure and gained popularity with YU-NO's "Seijy" and Precure's tagline is available.
Ride Together with a Friend!

What's New in Version 1.6

The new Fantasy Action RPG is here! Boost your Status, Level up your skills, and even gain new attributes. Until now you could only look forward to 100% level ups, now they will occur depending on your ★ Stamina. With the new ★ Stamina ability, you can easily plan ahead and determine when the next Level-up occurs, but there may not always be additional boosts. ★ Stamina is a passive attribute that you can raise to increase experience gains. Increases your Stamina by ★. None.
