I want to start a blog where the motivation is different from what most fight sites feature. This isn't a site about War. This isn't about killing. This is about the freedom fighters. If you're interested in giving us an input about what you'd like to see here, feel free to email me at april.fox@hotmail.com. Thank you in advance, APRIL FOX[Beta-lactamase producing bacteria in Bulgaria]. Seven strains of beta-lactamase producing bacteria, which were isolated from sputum of patients with bronchopulmonary infection and from human blood, have been examined. It has been established that 6 out of 7 strains investigated produced beta-lactamases. The following types of beta-lactamases have been found:--AmpC-type beta-lactamases which were active to all substances of the penicillin group. The enzyme catalysed cephalosporin hydrolysis as well. The enzyme was most active to ceftazidime, cefotaxime and ceftriaxone.--A combination of broad spectrum beta-lactamases was found in one strain. The enzyme catalysed the hydrolysis of ampicillin and Ticarcillin.Remi Štern Remi Štern (; born 1 January 1987) is a Slovenian former football player.
