I thought it would be fun to document his 2nd birthday! We had a great day... the weather was perfect and it was a perfect time to go camping. This cake was absolutely perfect for us and we decorated with our new Fairy Garden Party supplies from Party City. I also made a little video of the day. My camera has been in storage for a year and a half and this is the best I could do with what I had. The picture is of everything that was used for the day, including the table we took into the woods. We moved everything into the woods, including our picnic tables! I sat and I played with my little boy and I was having the most fun... time flew by and we had the most perfect day!! Even though it was 2 in the morning, I found a place outside near the fire and he layed down and fell asleep with me. We had a little sunrise and I took a picture with my new camera lens, I was pretty proud of the result! He slept for another hour and then said he wanted to wake up and dance with his Daddy and I let him do that and he loved it. So, here is the video I made of our day.
