Paper bag generation is a fun art that will have you entertaining guests for months! To make one, all you need is a notepad (keep it small for easier cutting) and some scissors or a paper cutter. First, start at the middle and cut out a tube. Then, cut crosswise lines every 6-8 inches, forming squares. Once you have a circle, fold it in the middle to get the 2 outside edges. Then, open up the top and bottom to add the final tag. Here are some step by step pictures of how to make a Kiehl's shopping bag in paper. You need:

- A notepad or other small piece of paper
- A plastic marker or liquid glue
- Scissors
- A hobby knife
- Scrap paper
- A pen
- Tape
- Patience

Step 1 Set out some paper in front of you. Then, draw a line down the middle of the paper. Next, use the plastic marker or liquid glue to write "cut from middle" on either side of the line. Step 2 Take the scissors and cut down the middle of the line, following the direction of your marker/glue. Now, it's time
