Be Cool And Help! Current Games Not an addict... I'm addict of games, nice games, games with good graphics, games with good level and easy mission. I'm on addict of new games and game that I have not played yet. The games that I like and I enjoy playing them the most are as follows: Daggerfall Jagged Alliance 2 Rise of Nations Heroes Evolve Steam Powered The world survival Amiral Monster Munch Bricks V12 Cliff Metro2033 Tropic 3 Planet 51 Killer Instinct Zombie Rising2 Civilization 5 Enderal Online Little Dragons Cafe Grim Fandango The Keep Soma (Those days) Boss Wars Platonic Journey Terraria Flower Adventures Welcome to Bookcrossing Bookcrossing is an attempt to copy the goodwill and the spirit of the mass purpose book-sharing activities that prevail on the net. Bookcrossing is a kind of culture that is all about leaving books between friends, choosing a book to share, and saying good night by leaving it behind. Those are the reasons why I think I should use Bookcrossing as an interesting art form. Obviously

What's new in Fantasy Grounds - Pathfinder RPG - Return Of The Runelords AP 3: Runeplague (PFRPG):

is the first expansion for Empires Apart. This expansion is a distinct civilization experience - a whole new game of strategy, that will make you rethink you strategy gameplay. How do you withstand unyielding enemy hordes without panic, real strategy and a balanced use of your resources? Do you prefer a weaker front line to a stronger one when you feel that your opponents army is coming too strong? And how about using different forces over time? Can you reach global domination without dramatic wars, all at the same time with your allies? These and many other options will lead you to the conclusion, which one strategy is more optimal in Empires Apart: diversified or focused. Features Great new features have been added to Empires Apart. Maximus even more powerful for its additional army and few other improvements. The improvements are: Peace Phase Improved empire resource use. Archer Movement Archers are now able to move faster. Improved army AI, they now generally strike a good balance between offense and defense. Arbitrary siege You can now lay siege with an arbitrary city. Complex strategy choice Risks due to the large number of possible strategies have been reduced. Mortar Fire Support You can now call on support troops to place mortar fire. New units The Minions and the Nihilists are included in Empires Apart. Imperial Skirmishers -- They are unique infantry that are more adapt to terrain. =2nd Race developers Empires Apart is a great strategy game and that is why in the last year we already created two different expansions and from now on we plan to publish three other expansions over the next 2 years. We have been working on this game for the last three years and now we want to start moving towards other games with our Free To Play system. We will certainly not let Empires Apart stay the same forever and we will bring in new content very frequently to ensure it is never boring. That's why Empires Apart will be a great experience for our players in the near future. =1st Race Free To Play developers Empires Apart contains rules for total + limits (both for players and others). It's great for casual groups, it's easy to learn, play and forget it. Developed by the 1st race team, mixed with many years of strategy game experience. (Españ
