RISE (RIPE) "A GORGEOUS FANTASY RPG WITH DEGENERATE ANIMATIONS." "For a game that's supposed to be the next in the RPG genre, there's not a single misstep in the way ELDEN RING controls and game design comes together. If there's a single genre's game that is destined to knock the genre's group of rock stars off their feet, it's the fantasy RPG, and ELDEN RING definitely aims to do just that." - Kotaku "One of the best looking games of the year" - PCMasterGamer "An epic fantasy RPG with a visual style that is beautiful to behold. Not only is it looked and felt but is actually well developed and even comes with its own merits and meaning." - JRPGonPw "With breathtaking graphics, a quality action system and plenty of knowledge, character creation and customization are easy to access." - Gamepad Heroes "At first blush, ELDEN RING looks like a throwback to the golden age of RPG gaming. The visuals are attractive and the action-based gameplay is promising." - BigFest "An epic fantasy RPG with a visual style that is beautiful to behold. What's new in Elden Ring:

■ About NieR:Automata Since the release of the original NieR:Automata, we have been hard at work working on NieR:Automata 2nd. The original game showed a new way of presenting the message of an emotionally charged sci-fi horror, and has given the player a different way of experiencing a story, where the world around you changed as you moved through it. A powerful melody, bold brand-new graphics, and the power of Al development have inspired us to make the sequel even more exciting. As the world of NieR:Automata has been awakened from slumber, the doors of the labyrinths have been opened. The second game can now be played in multiple timelines, with a multitude of parallel stories present throughout the game. We are focusing on strengthening the appeals of the first game and creating surprises that will appeal to NieR:Automata fans and newcomers alike. Please look forward to seeing the beautiful and moving story of NieR:Automata continue to unfold as we experience it together.

NieR:Automata was originally released for the PS4 console in Japan on July 23, 2015, followed by a worldwide release on December 2nd, 2015. The original title has sold more than 1 million copies in Japan. The game is an original, new story focusing on faithfully expanding upon themes, messages, and values of the original game. Since the original game, production staff members and testers have been hard at work working on the game.
