The term Elden Ring is not a technical term. It was used by the nobility during the centuries preceding the Great War that tore the Lands Between asunder. In this

time, the most revered individuals among the nobility were known as the Elden Lords, and the Great War was put into motion by the Elden Lords who fell from grace. In order to reclaim their honor and lead the Lands Between into a new era, the Elden Lords called out their knights to wear the promise of the Elden Ring engraved on their jewelry, and gather together to form the Elden Ring. The word "Elden" has its origins in the time when the Lands Between were filled with

myths and rumors. The people of that time believed that the world was at a crossroads, or that what they were doing was something out of the ordinary, and that ancient Elden Lords known as the Elden Gods had passed down a special treasure, "the Elden Ring," which bestowed great power upon those who wielded it. The Elden Ring was an artifact that emerged among the nobility of the Lands Between at the time of the Great War. The Lands Between was a beautiful world, even though it was not

a perfect place. It was a place full of myths and traditions.

The lands were filled with every kind of natural beauty and the people of that time believed that they were the chosen ones of the Elden Gods, and were greatly respected by the Elden Gods and the elder Elden Lords.

There were many rumors surrounding the Land Between that even the Elden Lords did not know. The people started to turn their focus to the Elden Gods and the Elden Rings in order to know the secrets. NOW, THE

What's new in Elden Ring:

For the first time in over ten years, Starfinder has a brand new campaign--eons ago after the Wars of Heaven broke all men and women down into subservient individualistic brain pans. At that time there were tales of a dog-headed s'Skhathien mother goddess who brought the high human civilization of the Time of Blades to an end, but today a deranged reanimated s'Skhathian has taken up her most horrific form and seeks to destroy the galaxy. 4E BATTLES OF GODS Manifestation of the Ur-S'Khath—the primordial Hoorah, the ancient wolf-headed mother goddess, the oldest enemy to mankind. The Chthon—half s'Ktchei, half s'Skhathian. She controls Titans of the Abyss and the River Kingdoms, Ghasts of the Cold, Necromancers of the Ruins, and the Immereza—creatures of rot and decay. Also known as the Soul Caster, the hosts of Spite, Tarlach, and Shumeon. Burnt-offshoots—infernal sects of human and non-human deranged she-beasts in service to a set of various chthonic lords in places such as the Abyss, the Temeside, and the ruins. The Bete—imprisoned s'Khathians who have committed all their secrets of the Underworld for a chance at freedom. The Revealer—the newest foe of men, a cat-headed prime fount of evil. The Rival—a persistent foe s'khathian

cosmic evil. The Eastrea—storm lords and warlords descended from the warlike denizens of the Ice Continent. Vengeance Triumphant—gods of positive and negative entropies, destroyers of the denizens of the planet. The Son of Life and Death—a mighty alpha point in the Star who has chased all the enemy gods of destruction throughout the Time of Blades. The Apprendite—the chaos god Steiner and his followers. The Impetuous Potency—a new and terrible threat from the Tempestuous Pranks. Gorgahl—god of beasts, foe of the Soultaker. King of the Crescent Hells. S’Ktchei—a force of destruction, a deity the survivors fear for no one knows why.

chamcha I am not the first to
appreciate this song from the
soundtrack of 1993's In
Custody, the third installment
of Tollywood's first ever
trilogy. Made by Pt. Suresh on
the tabla, it's an awesome

song in my opinion and definitely one of the more effective anthems in the film. Played with bombastic conviction, it surpasses the film's other anthems in the series. I love this song. Mammilalli kanoopo antheeradaa thavarechaiye. Made for the mode scene in the film, it's even the scene opener. The song begins with a punch-drunk heavy bass and a guest vocal, both of which strike a new note in what would be the thematic trend of the film and end up defining the essence of the

film. The set is middle period Bollywood made good to the letter, with the tabla playing behind an aggressive band and male vocals bellowing in wild abandon with female ones chiming in and out. The set opens with a vibrant bellow of power, a minor-mooded mid section and the hooky chorus. I will sing my sorrowSolve my sorrowSolve my sorrowsSoul of my sorrowWorld of my sorrow.World of my sorrow
