"Word is to ease up on the Justice Dept./DOJ, they've been a bit intense about arresting government officials who might have tried to impede the investigation into Russian meddling in the election," Trump told his followers on Twitter. "This was all a distraction, just like the Dems said. A total distraction. They won't be able to 'find' anything about Russia after the election is held (I mean other than will Democrats be able to look any hotter than they are now if they lose). Problem is, if I didn't run & become President, they would have found nothing upon which to base charges. So, good job, Obama!" retardation is defined as the impairment of a function or set of functions, especially to slow down or stop its normal development or growth.
